📍 Valenzuela City, Philippines

PROFILE

Seasoned Web Development and Project Management professional with over 9 years of experience leading web, digital publishing, content management, and SEO/SEM initiatives. Successfully delivered website development and content publishing projects using different CMS technologies while collaborating with global stakeholders across multiple regions.

Experienced in Agile project leadership, sprint management, team mentoring, and cross-functional coordination. Seeking a management position where I can leverage my technical expertise, leadership experience, and proven ability to drive strategic initiatives, develop high-performing teams, and deliver successful business outcomes.

PROFESSIONAL EXPERIENCE

Vertere Global Solutions, Inc. | January 2023 - July 2026
